VIDEOGRAPHY PACKAGE

Cinematic Wedding video specialists

\$2,300

Videographer & Drone

8 Hour Filming Window

Edited Highlight Video

Full Length Wedding Video

Your highlight video will be filmed from the ground and sky. We take staged shots periodically throughout the day, while also filming for your full length video

Full wedding videos are usually about 90 minutes. They are put together thoughtfully, using drone shots and music when appropriate.

This package was put together by our BRIDES!

In addition to your HQ videos, we also provide a Social Media version of your highlight video. Intended for best quality on platforms like Instagram. While filming, we use a camera, wireless mic, drone, and shoot everything in 4k. We always screen all our film and are extremely selective when choosing the shots & audio for your videos.

Additional Video Add Ons

Add a 2nd Shooter +\$650

Receive ALL RAW FILM +\$400

IG Portrait Version of Highlight Video +\$125
